Zest Academy Trust
Privacy Notice – Parents/Carers

Introduction

Under data protection law, individuals have a right to be informed about how the Trust uses any personal data that we hold about them. We comply with this right by providing privacy notices (sometimes called fair processing notices) to individuals where we are processing their personal data. This privacy notice explains how and why we collect, store and use personal data about parents/carers

We, Zest Academy Trust are the ‘data controller’ for the purposes of data protection law. The Trust is registered as a data controller with the Information Commissioners Office (ICO). Our registration number is Z3239207

This Privacy Notice relates to Zest Academy Trust, its Academy – Waterloo Primary Academy and any other Academy which joins the Trust in the future (hereafter referred to as the ‘Trust’).

Our data protection officer is The Schools People (see ‘Contact us’ below).

Definition of Parent

The term ‘Parent’ is widely defined in education law to include the natural or adoptive parents (regardless of whether parents are or were married, whether a father is named on a birth certificate or has parental responsibility for the pupil, with whom the pupil lives or whether the pupil has contact with that parent) and includes non-parents who have parental responsibility for the pupil, or with whom the pupil lives.

It is, therefore, possible for a pupil to have several ‘parents’ for the purposes of education law. This privacy notice also covers other members of pupils’ families who we may process data about from time to time, including, for example, siblings, aunts and uncles and grandparents.

1. Data Protection Principles

Personal Data must be processed following the six Data Protection Principles. It must be:

- Used lawfully, fairly and in a transparent way.
- Collected only for valid purposes that we have clearly explained to you and not used in any way that is incompatible with those purposes.
- Relevant to the purposes we have told you about and limited only to those purposes.
- Accurate and kept up to date.
- Kept only as long as necessary for the purposes we have told you about.
- Kept securely.

2. Types of Data We Collect

The categories of Parent/Carer information that we collect, process, hold, and share include but are not limited to:

- Personal information such as name, address, telephone numbers and email address, other named family/friend contact details, nationality, language, etc.
- Information relating to your identity - e.g. DBS checks for volunteers and parent club providers.

Zest Academy Trust

- Eligibility for free school meals, pupil premium, entitlement to certain benefits and information about court orders in place affecting parenting arrangements for pupils.
- Information provided within communications with the Trust.
- Information related to court orders or care orders.

We may also collect, store and use information about you that falls into ‘special categories’ of more sensitive personal data. This may include information about (where applicable):

- Race, ethnicity, religious beliefs, sexual orientation and political opinions.
- Disability, health and access requirements.

3. Collecting this Data

We collect parent/carer information from:

- Application/admissions forms
- Social Services either in Blackpool or other Local Authorities if a child is “Looked After”, “Previously Looked After” or subject to a Special Guardianship Order.
- The Local Authority or local hospital trust if a child on roll has/had an assessment because of their Special Educational Needs and/or Disabilities
- Correspondence with the School including messaging systems
- Authorisation for trips and other enrichment activities

In addition, the Trust also uses CCTV cameras around the site for security purposes and the protection of staff, pupils and other stakeholders.

While the majority of information we collect about parents/carers is mandatory, there is some information that may be provided voluntarily.

Whenever we seek to collect information from parents/carers, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying. If you fail to provide certain information when requested, we may be prevented from complying with our official or legal obligations.

4. Why we Collect this Information

We collect information to safeguard our users, promote the objects and interests of the Trust, facilitate efficient operations, and ensure that all relevant legal obligations of the Trust are complied with. For example, we collect data to:

- decide who to admit
- maintain a waiting list
- support pupil learning

5. Automated Decision Making

Automated decision-making takes place when an electronic system uses personal information to make decisions without human intervention. We are permitted to use automated decision-making in limited circumstances.

We **do not** envisage that any decisions will be taken about you using automated means, however, we will notify you in writing if this position changes.

6. Our Lawful Basis for Using This Data

We only collect and use personal data when the law and our policies allow us to do so. We process general category data where:

- The data subject, or a person with the lawful authority to exercise consent on the data subject's behalf, has given explicit consent

- The processing relates to personal data which are manifestly made public by the data subject
- Processing is necessary for the establishment, exercise or defence of legal claims or whenever courts are acting in their judicial capacity
- Processing is necessary for reasons of substantial public interest, based on domestic law which shall be proportionate to the aim pursued, respect the essence of the right to data protection and provide for suitable and specific measures to safeguard the fundamental rights and the interests of the data subject
- Processing is necessary for reasons of public interest in the area of public health based on domestic law which provides for suitable and specific measures to safeguard the rights and freedoms of the data subject, in particular, professional secrecy
- Processing is necessary for archiving purposes in the public interest, scientific or historical research, or statistical purposes.

Zest Academy Trust
Privacy Notice – Parents/Carers

Some of the reasons listed above for collecting and using personal data overlap, and there may be several grounds that justify our use of this data.

7. Criminal Proceedings/Convictions or Child Protection/Safeguarding Issues.

This information is not routinely collected and is only likely to be processed by the Trust in specific circumstances relating to particular pupils, for example, if a child protection issue arises or if a Parent/Carer is involved in a criminal matter.

Where appropriate, such information may be shared with external agencies such as the child protection team at the Local Authority, the Local Authority Designated Officer and/or the Police.

Such information will only be processed to the extent that it is lawful to do so, and appropriate measures will be taken to keep the data secure.

8. CCTV

We use CCTV in various locations around the Trust site. The purpose of the system is to prevent crime and promote security and public safety. If in the event of viewing CCTV for the specified purpose, a safeguarding or criminal action is observed, the CCTV can and may be used to support any subsequent investigation.

We do not need to ask individuals' permission to use CCTV, but we make it clear where individuals are being recorded. Security cameras are clearly visible and accompanied by prominent signs explaining that CCTV is in use.

CCTV images will be retained for 14 days. After this period images will be permanently deleted unless they are required and retained for an ongoing investigation. For example, if an incident or crime has been recorded. In such cases, the images will be retained until the conclusion of any actions or criminal proceedings arising from the incident.

For more information about the Trust's use of CCTV please refer to Trust's ***CCTV Policy***

Any enquiries about the CCTV system should be directed to the ICT Manager.

9. Consent

We may process your personal information without your knowledge or consent, in compliance with the above lawful bases (section 6) where this is required or permitted by law and our policies.

We will ask for consent to process personal data where there is no other lawful basis for processing it. For example, to send you promotional/marketing material related to the Trust.

Zest Academy Trust
Privacy Notice – Parents/Carers

If we do request your consent, we will provide you with full details of the information that we would like and the reason we need it, so that you can carefully consider whether you wish to consent.

10. Change of Purpose

We will only use your personal information for the purposes for which it was collected unless we reasonably consider that we need to use it for another reason, and that reason is compatible with the original purpose.

If we need to use your personal information for an unrelated purpose, we will notify you and explain the legal basis that allows us to do so or seek your consent if necessary before the processing.

11. Storage and Retention of Personal Data

A significant amount of personal data is stored electronically. Some information may also be stored as a hard copy.

All data is stored and accessed following the Trust's ***Data Security Policy and Data Handling Policy and Procedure***.

We will only retain your personal information for as long as necessary to fulfil the purposes we collected it for, including satisfying any legal, accounting, insurance or reporting requirements. Details of retention periods for different aspects of your personal information are available in our ***Data Retention Schedule***.

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances, we may anonymise your personal information so that it can no longer be associated with you, in which case we may use such information without further notice to you.

When your time as a Trust parent/carer comes to an end, we will retain and securely destroy your personal information following our ***Data Retention Policy and Schedule***.

- ParentPay
- SIMS (Management Information System)
- Any other third-party services/service providers that we will inform you of from time to time

We authorise these service providers to use personal data only as necessary to perform services on our behalf, or to comply with legal obligations if necessary.

13. Transferring Data Outside the UK

We do not routinely share data with organisations outside the UK. Where this may be necessary, data will be transferred with explicit consent from the parent/carer and with appropriate safeguards.

Under exceptional circumstances, we will only transfer personal data outside the UK if such transfer complies with the UK GDPR. This means that we will not transfer any personal data outside the UK unless:

- The Secretary of State has decided that another country or international organisation ensures an adequate level of protection for personal data
- One of the derogations in the UK GDPR applies (including if an individual explicitly consents to the proposed transfer).

14. Data Security

We have put in place appropriate security measures to prevent your personal information from being accidentally lost, used, or accessed in an unauthorised way, altered or disclosed. In addition, we limit access to your personal information to those employees, consultants, contractors and other third parties who have a business need to know. They will only process your personal information on our instructions, and they are subject to a duty of confidentiality.

We have in place procedures to deal with any suspected data security breach and will notify you and any applicable regulator of a suspected breach where we are legally required to do so and in accordance with our ***Data Security Policy and Breach Procedure***.

Your Duty to Inform us of Changes

The personal information we hold about you must be accurate and current. Please keep us informed if your personal information changes.

Subject Access Requests

Under data protection legislation, individuals have the right to request access to their personal data held by the Trust. Subject Access Requests may be made in written form or verbally.

If you would like to make a SAR relating to your own personal data it would be helpful if this could be made in writing to the Headteacher, including:

- name and contact address

Zest Academy Trust
Privacy Notice – Parents/Carers

- email address and telephone number
- details of the information required.

A helpful '**Guide to Making A Subject Access Request**' is available from the office, or as a download from the website. It **is not** mandatory to make a Subject Access Request using the form. It will, however, assist you in structuring your SAR to provide the information necessary to ensure we can action your request without delay.

Fulfilling A Subject Access Request

The lawful time scale for the Trust to respond to a Subject Access Request is one calendar month from receipt of a '**valid**' SAR.

A SAR is only considered '**valid**' when we are fully satisfied with the identity of the requester and their entitlement to the data requested. If in any doubt we will request confirmation of identity to ensure your personal data is not inadvertently released to a third party who is not entitled to it.

If the SAR is complex or numerous, the period in which we must respond may be extended by a further two months. You will be notified of any delays in actioning the SAR and provided with a timeframe in which you can expect to receive the requested data.

Fees

You will **not** have to pay a fee to access your personal information (or to exercise any of your other data subject rights). However, we may charge a reasonable fee if your access request is manifestly unfounded or excessive. Alternatively, we may refuse to comply with the request in such circumstances.

Exercising Other Data Subject Rights

If you wish to review, verify, correct or request the erasure of your personal information; object to the processing of your personal data, or request that we transfer a copy of your personal information to another party, please contact the Trust in the first instance (details below).

The Right to Withdraw Consent

Where you may have provided your consent to the collection, processing and transfer of your personal information for a specific purpose, and there is no other applicable lawful basis for processing the data, you have the right to withdraw your consent for that specific processing at any time. To withdraw your consent, please contact the Trust directly.

Once we have received notification that you have withdrawn your consent, we will no longer process your information for the purpose or purposes you originally agreed to, unless we have another legitimate basis for doing so in law.

16 Complaints

We take any complaints about our collection and use of personal information very seriously.

If you think that our collection or use of personal information is unfair, misleading or inappropriate, or have any other concerns about our data processing, please raise this with us in the first instance.
